

DaGamba sound rider

Feat Tchaikovsky

Version – 2019_Tchaikovsky

The group consists of two cellos, KEYS, percussion set and drums set. If available we would like to use also the grand piano (Steinway D model or Yamaha C7). If the grand piano is not available we need second keyboard.

Output power of the entire FOH speaker system should meet the requirements determined by the acoustical environment and venue capacity. A standard stereo PA system with matching sub bases, tuned to flat frequency response with high quality equalizers should cover audience with minimum interference at 120dB SPL (105dB (A weighted)). System should be set up and tuned prior group arrival in venue

Technical equipment:

- Professional digital mixing console with 40 input channels and 16 AUX outputs (we do not need monitor console), preferred models - AVID, MIDAS, YAMAHA, DIGICO
- microphones and stands according input list

Monitors:

- 2x stereo wired In-Ear monitors (we have our own)
- 2x mono wired In-Ear monitors (we have our own)
- 2x mono wireless In-Ear monitors
- 1x wedge monitor
- 2 side fill monitors on stand

Channel list

Inputs

Channel	Instrument	Mic / D.I.	Alternative mic	Stand
1	Chello Line 1 Left	XLR		
2	Chello Line 1 Right	XLR		
3	Chello Line 2 Left	XLR		
4	Chello Line 2 Right	XLR
