

Press Release

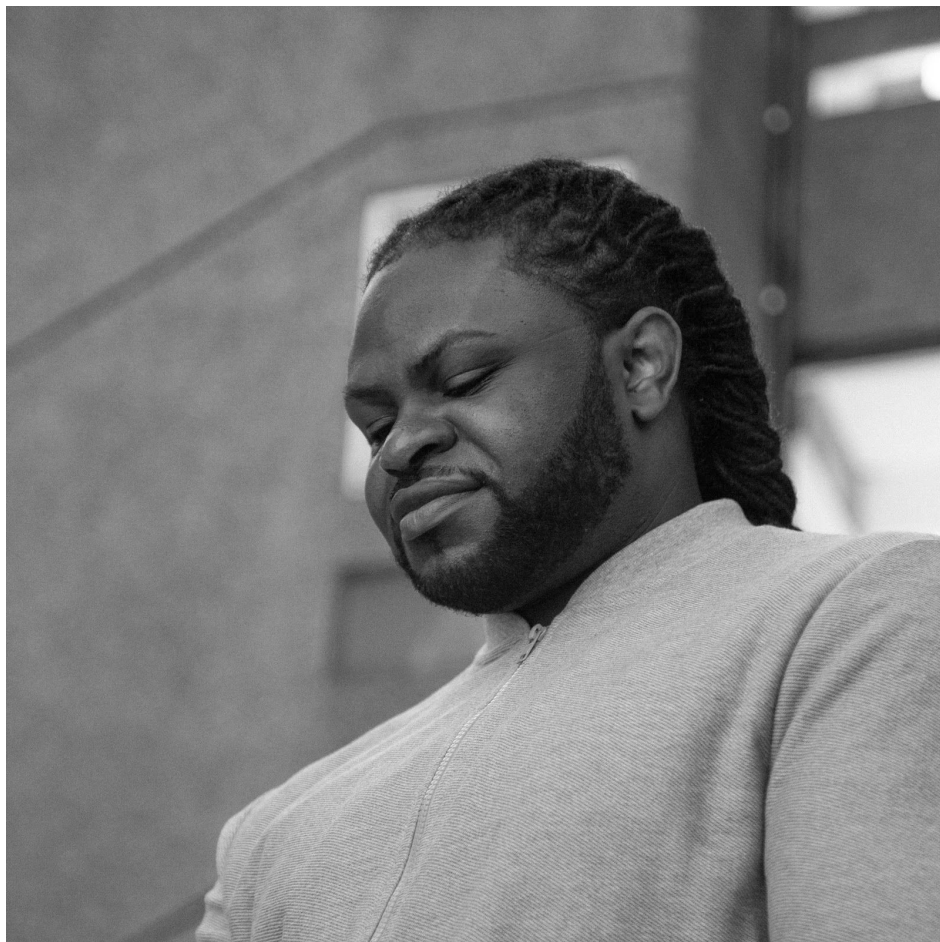

Midé is a singer-songwriter based in London. His sound has been described as “Alternative Soul” which is a combination of the soulful and pop elements in his music which sounds in the same vein as James Arthur, James Bay and Michael Kiwanuka.

Midé’s earliest release debuted at **No.2 on MTV Base** charts. Following that he played a nation-wide UK tour and played to sold out venues to promote his EP. He’s been lucky to co-write songs with *Bucks Music Group* and was blessed to write a song for the Turkey division of *Universal Music Group* for the upcoming Olympics. Midé’s played a number of sold out headline shows and recently he was scouted by **Live Nation UK** to be his booking agents and was shortlisted in the running to be the **Fender** Undiscovered artist of the year.

Songs over 3,000,000 streams

Videos over 200k views

With new releases like “The Way You Move”, “Wonder” and “With You” making their way onto Spotify playlists, Midé is set to follow the pace and bring his honest sound to more listeners around the world.
