

RIDER & EXTRA - MELANIE DEKKER (band)

IF THERE IS A VISUAL COMPONENT:

If there is a projector and a screen we have "slides"/"images" that are timed and will play behind me/us while the show is underway. These can be sent prior to the show (via Dropbox), or sent as a Power Point presentation, run directly from my MacBook Pro, or supplied on a memory stick.

BACKSTAGE RIDER:

4 Vegetarian Meals (no allergies - all okay)
2 Bottles of Wine
Ginger or Nettle tea
Water on stage
