

# CAVEBOY

## ALL WOMXN ELECTRO-POPSTERS FROM MONTREAL

"CAVEBOY MIGHT NOT BE A HOUSEHOLD NAME IN AMERICA YET, BUT YOU'LL WANT TO ADD THIS ECLECTIC INDIE POP TRIO TO YOUR SUMMER PLAYLIST ASAP." - **NEWNOWNEXT**

With a fresh yet nostalgic perspective on alternative pop, Montreal's Caveboy root themselves in the timeless music of their parent's generation and build to unforgettable chaos during their live performances. The all-womxn trio's first few years were driven by electrifying performances at SXSW, Osheaga, Pride Toronto, the Pre-Grammy Celebration of Canadian Excellence, 2018 Juno Gala Awards (The Canadian Grammys), and support performances for Tash Sultana, Tom Walker, Ria Mae, Cub Sport, and Wintersleep. With a powerful live set not to be missed and a highly anticipated debut album soon to be released - including the heavily playlisted first single "Landslide" - Caveboy is a band to keep an eye on.
