

# PISTOL PETE WEARN

## TECHNICAL RIDER

\*\*\*\*\*

Thank you so much for enquiring about booking Pistol Pete Wearn. Below is a list of technical requirements that may be of use in preparing for the show.

By prior arrangement Pete will provide his own PA & sound for smaller gigs

For larger gigs read on.....

## STAGE SET UP

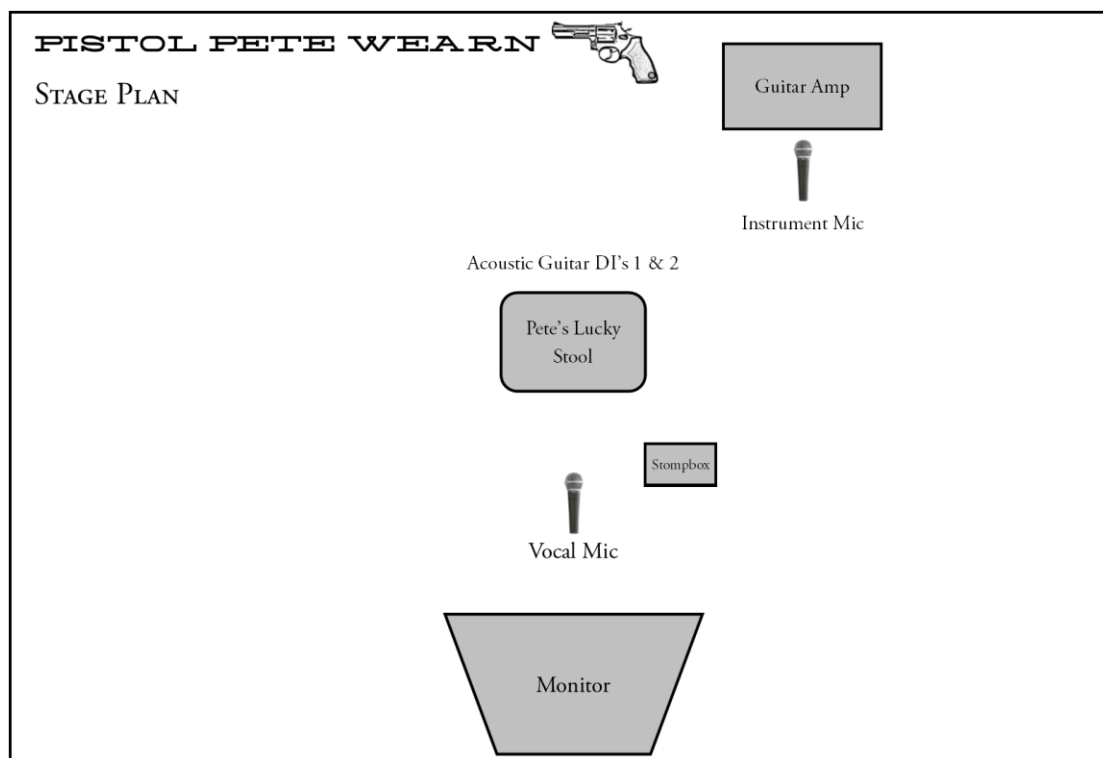

Pete will require:

- 1 x vocal microphone
- DI for main acoustic guitar
- DI for backup acoustic guitar
- DI for stompbox
- For longer gigs (two sets) only Pete will also play a cigar box guitar through a small combo amp that will need to be miked up.

## STAGE PLAN

I'm told it's the done-thing to include one, although it seems a bit redundant for a solo act
