Band Bio (short)

Green Beaks is a German rock band founded in 2011 by Maximilian Boehm (vocals, rhythm guitar, piano and synthesizers), Felix Neumann (lead guitar, vocals) and Bastian Schulz (drums, vocals). Stylistically, Green Beaks combines alternative and hard rock with elements of film music.

Band Bio (medium)

Green Beaks is a German rock band founded in 2011 by Maximilian Boehm (vocals, rhythm guitar, piano and synthesizers), Felix Neumann (lead guitar, vocals) and Bastian Schulz (drums, vocals). Stylistically, Green Beaks combines alternative and hard rock with elements of film music.

In March 2019, the first album Echoes was released on Spinnup.

In October 2019 Green Beaks released their first single “Yang Qin” of the second studio album.

In December 2019 Green Beaks will play as a support act for the American rock band Tantric in Munich.

Band Bio (long)

Green Beaks is a German rock band founded in 2011 by Maximilian Boehm (vocals, rhythm guitar, piano and synthesizers), Felix Neumann (lead guitar, vocals) and Bastian Schulz (drums, vocals). Stylistically, Green Beaks combines alternative and hard rock with elements of film music.

History:

The members of Green Beaks got to know each other during their school time at the “Gymnasium Hohenschwangau” at the age of 10. One year later, Maximilian Boehm and Bastian Schulz began working on their first musical projects. In 2010 Felix Neumann joined the band project. Green Beaks was finally founded on November 11, 2011.

After focusing on writing songs between 2011 and 2015, Green Beaks participated at the “Emergenza Band Contest” in 2015 and 2016 and reached the German finals.

The recordings for the first album Echoes began in 2017 in the Red Room Studios.

In March 2019, the first album Echoes was released on Spinnup.

In October 2019 Green Beaks released their first single “Yang Qin” of the second studio album.

In December 2019 Green Beaks will play as a support act for the American rock band Tantric in Munich.
