

Last Harbour Stage Plan 2012

Howard

Drums

Two rack toms, one floor tom

David

Electric guitar

Through amplifier

Organ

Line out, just needs D.I.

Mike

Bass

Through amplifier which
has balanced line out for DI

Backing vocal

Needs mic

James

Electric tenor guitar and viola

Through electric amplifier

Acoustic tenor guitar and Organ

Through acoustic amp with line out,
just needs D.I.

Kev

Vocal

Kev to supply mic.

Vocal mic signal should be split to give one
clean signal and one signal running
through Kev's echo unit, allowing the engi-
neer to blend signals to suit the venue.

Gina

Digital Piano

Line out, just needs D.I.

Backing vocal

Needs mic
