HOTEL

We prefer 2 double rooms

WHAT WE NEED:

Drums:		
1 drum rug or carpet x 22" Kick drum with padding.	1	10" and 12" rack toms 16" floor Tom that is height adjustable
		1 Hi- Hat stand with working clutch and cymbal felts 6 cymbal stands with working felts and stoppers 1 height adjustable snare stand capable of taking a 14" snare drum Height adjustable Drum Throne
		1

Bass: 1 bass amp 8x10' - ampeg, swr, eden or similar 1 in-ear monitor system sennheiser/shure - line stereo (with my personal earphones) 2 XLR OUT from Guitar Rig or 1 XLR direct out from head and/or speaker addressed microphone 1 bass stand Wireless system like Sennheiser ew-500
--

Guitar: 1 Guitar head 100w - Randall, MesaBoogie, Engl or similar in case those are missing, Marshall jcm 2000 tsl 100. High gain needed, no crunch! 1 Guitar case 4x12" (whatever brand is fine) celestion speaker. 2 Monitors and 1 Microphone Shure or whatever brand is fine. It's very important to have 2 monitors in front of me in my side of the stage. 1 wireless jack
--

Vocals: 2 monitors in front of me 1 Mic stand I use SHURE Wireless system (I will bring it with me) I will bring Sennheiser in-ear monitor with me
--

ALSO:
 2 D. I. Boxes
 Enough jack cables
