

## **Rev Rev Rev (hospitality rider)**

### **FOOD**

We are 4 people. No allergies, no vegetarians, no vegans. We always appreciate quality local food (it can be home-cooked too) but if that is not an option, 4 pizzas or burgers are okay too!

**Fresh fruits** are also greatly appreciated in the backstage area.

### **DRINKS**

Regarding drinks, we will be happy to get some good beers (ideally local beers), red wine (if possible) and some water. Fruit juice is also appreciated.

### **ACCOMMODATION (where applicable)**

Two hostel/hotel/Airbnb private rooms, one double and one twin if possible.

One private room for four is ok as well; short distance from the venue is a plus.
