04/08/2014	Blog (Review)	Bitter Sweet Symphonies	http://bittersweetsymphonies.co.uk/2014/08/04/listen-delamere-headstrong/	"Headstrong" is nothing less than a musical awakening, it's infectious throbbing pulse dances with a tight bass line, pulsing drums and thunderous guitar riffs. It shows a band that clearly have hit their stride and if they continue on like this than their future looks very bright."	Charlotte	Hollroyd	UK

18/08/2014	Blog (Review)	it's All Indie	http://www.itsallindie.com/2014/08/track-of-week-delamere-headstrong.html	(Track of the week) "Headstrong" sounds like an anthem taken from the back catalogue of Imagine Dragons blended in with some great pop sensibilities from the guys at The 1975. With great grooves layered in with amazing vocal hooks the band certainly have got their talents on show here with this fine track."	Fred	Bambridge

26/08/2014	Blog (Review)	Click and Listen It	http://clickandlistenit.blogspot.co.uk/2014/08/delamere.html?m=1	"Their latest anthemic single I've run around, Headstrong, hits the plenty of singalongs, vocals with the smoky hit and melodic pace, including several stark contrast sections that boosts the sound such as funky out live-set guitar riffs (2:20) and sleek vocal plank (2:48)."

29/08/2014	Blog (Review)	Backseat Mafia	http://backseatmafia.com/2014/08/29/new-music-delamere-headstrong/	"Their new single, "Headstrong", is professional, technically smooth as silk, layered and intricate, yet there is a raw and emotive edge providing veracity and an underlying darkness and yearning that always gets me. It's a great song (Headstrong) which scales great heights – appropriate, really, for the accompanying video set on the rooftops (of Manchester)."	Arun	Kendall
