Sound engineer / Sigfried Kesküla:  
+372 56600152 , [sigfried.keskyla@gmail.com](mailto:sigfried.keskyla@gmail.com)

## PA system:

PA system must be at least three way and cover the audience area well. Please don't hesitate to confirm the PA system with the sound engineer.

## Equipment the band travels with:

Mick has his own acoustic guitar and pedal board.

## The band needs from the organizer:

MIDAS M32, stagebox & CAT5 cable. If there's no option for Midas, don't hesitate to communicate with sound engineer about Yamaha CL5/M7CL or Digico S32/S21/D9.

2 tall and stable microphone stands for vocals.

1 Shure KSM9 microphone (Mick)

1x Beta 58 (Voc FX, Mick)

1x Nord Stage 2 stage piano + sustain pedal

2x stable keyboard stands for Nord Stage 2

1x Klark Teknik DN200 stereo DI box

1x PSM900 + PR9A in-ear monitoring system with duplicate batteries. (Own Shure CL535 earphones)

220v electric outlets at the pedalboard

XLR cabling on stage

2x ground monitors

Acoustic guitar stand

**Visuals and lighting needs to be communicate separately.**
