Recent Press - re-release of single “Things Fall Apart”

“I met Lynx when he performed at Live at Heart Newfoundland in Marystown on Burin Peninsula. I had known the name for years as our editor, Lenny Stoute had been a huge supporter and fan for years. I immediately knew I was in the presence of a huge talent. It is so great to see the legendary song come out again at a time with a message we all need to hear right now.” Cashbox Canada - Sandy Graham 2020 Full article here: <https://rb.gy/zmj88g>
