Lead guitar requires a combo tube open-back amp. Fender Blues series amp is preferred, Fender Twin, Hot Rod Deville and Hot Rod Deluxe are also acceptable.

Guitar requires a combo tube open-back amp. Fender Twin Reverb is preferred, Vox AC30 is a suitable option.

Lead singer runs vocals straight into his own FX pedal (Boss VE-20), which has 2 balanced XLR output. He requires a boom stand and a 2-3 m XLR cable.
