

MILEVA

'THRILLS'

RELEASED ON AUGUST 26TH 2020

BIOGRAPHY

With a warm husky voice, hooky melodies and folksy guitar riffs, Mileva has a way of catching your ear and touching your soul. Her honest and heartfelt songwriting skills led her to win 2 '**Best Original Song' awards in the Open Mic UK 2017 competition**. She moved from her home city of Paris to London in 2013 and self released her debut EP, 'Free'.

It captures the magic of coming of age through travels, experiences and freedom of spirit.

Shortly after that, she joined the reggae collective 'DOJO', signed to **BBE record label**, and toured with the band as their frontwoman for 5 years. Their single 'Bethel' caught the attention of **David Rodigan** who premiered it on his **BBC radio 1Xtra Show**.

"Dojo are creating a sound that injects upbeat reggae rhythms into the 21st Century.

The addition of smooth melodies from lead vocalist Mileva Corenthin intertwines perfectly to produce the harmony and unity their spirituality searches for."

She parted ways with the collective about a year ago to pursue her solo career.

Mileva is dropping 2 new singles in August & September, with a new EP due to release shortly after!

She will also be appearing on quite a few 'Lockdown Collaborations' that will be released over the summer as well!
Stay tuned!
