

## **DuckTapeTicket - Technical Rider**

Line up stringtrio:

**Paul Bremen:** viola, violine

**Anna-Sophie Dreyer:** viola

**Veit Steinmann:** cello

### **Amplification:**

The musicians use four DPA 4061 mikrophones (Paul Bremen uses for the violine and the viola one microphone each); the band brings all mikrophones with them.

Depending on the room it is also possible to use Schertler pick-ups as well (the musicians also have them with them). The necessity of this will be discussed with the sound engeneers of the venue.

On big stages and in big halls monitors are required.

One microphone for talking to the audience is also required.

### **Additionally required:**

1 chair
