BIO

THIS IS SOULS.
Souls is a rapper and engineer, originally from South London. With a unique flow and diverse library, Souls does not hide when it comes to rapping about what he really feels. He is not afraid to touch on different genres, with the ability to keep his music real and lighthearted but with all the energy.

LATEST MUSIC

Let Me Be Great [*Abeg*] is the first release of 2021 following his debut EP 'Phoenix 92'. His relatable, humorous & cheeky take on his real life is what makes this song great! He has managed to merge Drill, Hip Hop & Grime, with a catchy chorus, verses filled with metaphors , similes & a beat filled with energy & bass, you have an undeniable banger! After releasing his successful EP that hit over 50k streams in its first week, it's time to continue lifting spirits with this dynamic track.

[RELEASE DATE : 19.02.21]

APPEARANCES & INTERVIEWS

Unfortunately, like all performers, live shows were impossible as we were and still are currently in a global pandemic. However, Souls was able to put on an EP Listening Party at the Prince Albert in South London . There he had performers, live music, limited guests and of course, performed tracks from his EP "Phoenix 92".
On Air Radio Interviews with GFM Radio and Tribe Urban, he also had his single "Loyalty" aired on Capital Xtra.
