

## EPK - Crimson Sunday

**CRIMSONSUNDAY** is a **music project** by Berlin/Germany native singer-songwriter-rock **artist** Leon Tschernawin (Berlin-style german-russian roots). Since its beginning (2002) the project saw a lot of changes in its line up, (with musicians from all over the world: such as Ukraine, Serbia, France, USA, Peru, Germany) however centre of the band and **main composer** was, is and will be **Leon Tschernawin**. He writes the lyrics, melodies and arrangements by himself. Rooted in 60s and 70s rock, the sound of CRIMSON SUNDAY can best be described as **international singer-songwriter-folk-blues-rock'n'roll with a 60s attitude**. The style combines the sound of The Beatles, Coldplay, Noel Gallagher, The Rolling Stones, Kings of Leon, Bob Dylan, The Doors, Led Zeppelin and other well known heroes of the **music history**.

CRIMSON SUNDAY built its reputation playing clubs, open air concerts (**Karneval der Kulturen**, **Fete de la musique**, **RAW** Gelände Warschauerstraße, **Myfest** Kreuzberg), radio and TV shows in Berlin, e.g. Straßenfeger unplugged.

In december 2016 **Crimson Sunday** played a storming performance of the tracks '**Dry My Tears**' and '**Might Get Better Soon**' at the Talkshow "Dorfmann, Weitersagen" at **Potsdam TV**. In january 25th 2017 the song '**Starting All Over**' reached a thousand hearts of music lovers by its radio premiere on the Berlin/Brandenburg based youth radio **Radio Fritz** unsigned!

Beside club and open air concerts, Leon plays many unplugged gigs in the streets of Berlin.

The very special year of 2020 marked the start of a **tremendous row of stunning music videos**, that are now a great part of the artistic appearance of **CRIMSON SUNDAY**. Further more **CRIMSON SUNDAY** does a lot of live streams e.g. the famous **ARTliners Berlin Sessions**.
