
DEER

PRESS KIT

Deer is a Mexican band established in Hong Kong whose members are Adriana Falcón and Miguel Bastida. Deer mixes Trip-rock and Industrial pop and it has performed in several countries in Asia and Europe and in 2019 for the first time in Mexico.

The journey began in 2012 when Adriana after having completed her Master degree in the Colegio de México (COLMEX) is accepted to study a PhD in Ethnomusicology at the Chinese University of Hong Kong. Miguel, being her life partner, decides to move to Hong Kong. Once established in Hong Kong and with plenty of free time, they started working on their first compositions. This is how Deer was born in 2013.
