

Bass Bullies

IN BASS WE TRUST

It may have been wet weather for this year's London Carnival but in the world of Bass Bullies the sun is always shining, and you know it's a lyrical shower down when these two kings are reigning!

Let Loose is the latest monster anthem from the dynamic duo of veteran MCs Navigator and Alaska, uniting to bring their vision of real party music to the world with the international help of Simplistix, Spankers, DJ D-Steal, KL2, FFAB, Rod Justice, Jay Cross, Geek TekNeek and Benny Kane providing a range of mixes to cover all basses and ensure maximum exposure on the global party circuit, covering EDM, electro, trap, breakz, big room house and more.

With a series of colourful high-energy videos to match, Let Loose is a slice of sunshine through your speakers bringing the street heat of Carnival to the screen and establishing Bass Bullies as a new force in club culture worldwide...in bass we trust. everybody let loose!!
