

SIMPSON is the vehicle transporting vocalist and songwriter Nate SIMPSON and his music to your ears. Driven by a clear and uniquely skilled, soulful and fluid voice, accompanied by musicians reacting to his every note, creating the perfect platform for this unique talent.

Having played at and for some of the following festivals, venues and organisations': London Jazz Festival, O2 Headquarters, Stonor Park, The Southbank Centre, The Business Design Centre with honored guest HRH The Prince of Wales, Windsor Festival, The Central Hall of The Natural History Museum, Henley Festival, various events for the 2012 Olympics, restaurants, bars, pubs, clubs to name a few.

Look out for their much anticipated, exciting debut E.P fusing pop, funk, soul, R&B and jazz and the chance to catch them live on tour in 2014!

#### Promotional Material

Please follow our download link for logos and pictures for promotional use, posters etc

If you are mentioning us in any press release or other material we would appreciate it if the word SIMPSON was in upper case as per our logo and branding.

If you are developing your own poster etc and would like to use the same font as our logo the font is francios one and can be found on the download page of our website.
