

Technical Rider

NB – we are flexible as to stage layout and monitor arrangements.

1 x Lead Vocal

3 x Backing Vocals (where possible)

For guitarist, bassist and keyboard player.

1 x Guitar

Guitarist brings own amp and outboard effects. Amp to be mic'd where required.

1 x Bass

Venue backline preferred. Bassist can bring amp on request.

1 x Keys

Korg SV-1. Stereo XLR or ¼" Jack, DI'd.

Keyboard outputs are at line level – no need for DI box or pre-amp.

1 x Full Rock Drum Kit

Drummer brings breakables (inc hi-hat, cymbals and snare) and double kick pedal.

Ideally, kick drum, 3 toms, hi-hat stand and 3+ cymbal stands required at venue.

Drummer can bring more of own equipment on request.

Typical Stage Layout
