

Technical Rider

General Information

Music Style: Funk Rock / Alternative Rock

Founded: April 2015

Location: Oxford, UK

Description:

Since the start back in 2015, Red Hot Chili Peppers Experience has become one of the most successful and busiest Red Hot Chili Peppers tribute bands in the UK, playing at pubs, music venues and festivals across the country with a number of headlining performances. Red Hot Chili Peppers Experience recreates the Red Hot Chili Peppers' sound and live performances, reproducing the ultimate funk rock sound that brought them international success. The four band members are musicians who grew up listening to the Red Hot Chili Peppers, and have the ability to deliver the explosive performance that everyone expects from an authentic RHCP show.

Members:
