

# Vintage Barbecue Club

## Technical Rider

September 2014

The VBC is a four-piece rock band.

We bring our own amps and drums. We bring **NO** mics and **NO** monitors.

Please provide 230V power supply for each amp position **and** at the edge of the stage for our guitar pedals.

We bring small combo amps. Please provide beer crates or empty cases to rise them.

We need 2 vocal mics. Main vocals at center stage and backing vocals at the drums. If you got 2 additional vocal mics we'll be happy to take them for some additional backings and some talking at bass and 2<sup>nd</sup> guitar position.

1	Kick In	Beta91/52		
2	OH L		tall	
3	OH R		tall	
4	Bass DI	XLR		
5	Git SR	sm57	small	
6	Git SC	sm57	small	
7	Main Voc	sm58	tall	
8	Back Voc	sm58	tall	
9	opt. Voc	sm58	tall	
10	opt. Voc	sm58	tall
