GENERAL INFORMATION

STAGE

We need a stage measuring at least **4x5m**. A FOH and lighting engineer with full knowledge of the audio/lighting systems will be needed to assist during setup, soundcheck and performances. Even though we travel with our own engineers, your help during load in and load out is very important and appreciated.

TIME

We usually need 2-3 hours for load in, set up and soundcheck. We will need 20 minutes for changeover and play for approximately 45 minutes as asked.

Stage, PA, lights must be ready prior to specified already agreed load-in time - our engineer will be responsible to work with you for sound and lights.

POWER

We have Type F standardised power plugs (230 V) – see stage plot for position and number. Please prepare adaptors and power-converters if needed in your country.

RISERS

The band does not require any risers (see stage plot).

MERCHANDISE

Please inform us about the exact time you need us to bring you our artist's merch.

TECHNICAL INFORMATION

Please provide technical specs of the venue (sound/lights) prior the event.

PRODUCTION / HOSPITALITY

DRESSING ROOMS

The show requires one clean, cooled, well-ventilated dressing room with lockable doors. There should be a wardrobe area including a steam iron, an ironing board with cover, and a costume rack with plastic or wooden hangers.

SECURITY

Adequate security must be provided for the protection of company and personal property. The dressing rooms must lock and the keys be given to the tour manager upon arrival. Access to the stage, backstage area, and dressing rooms must be restricted to only those working on the show from load-in through load-out.

CATERING

Please arrange to have the following in the dressing room at the start of load-in:

- A small assortment of fresh fruit and any savoury snacks
- Coffee, tea, sugar, kettle and cups for 9 people crew
- One refrigerator containing 30 small bottled water, 10 sparkling water
- 1 bottle of Gin (Beefeater , Tanqueray)
- 10 small bottles of Tonik water
- Ice

For stage – please keep separately from the dressing room and make sure that the following will be on stage before the load-in time.

- 8 x2 bottles of non-carbonated water (0,5l at room to cold temperature)
- 5 black handtowels placed according to the stage plan (at the point where each musician is set up)

DINNER – for nine (9)

Warm, healthy meal including bread, side-salad and dessert (local specialties welcome). Please make sure this will be of satisfying size as this is our main meal during the day. If you could arrange the dinner at least 3 hours before stage time we would be very thankful.

ACCOMMODATION

Please provide accommodation (breakfast should be provided & included) for 9 people at a nice and clean hotel (at least 4 star).

Please ensure the hotel provides free wifi internet access and is located in a secure area.

****No (backpacker) hostels, or rooms directly above venues.**

All rooms should be ensuite with private toilet and bathroom)

Rooming list:

- 3 single rooms (double bed),
- 3 double rooms, (all with separate double beds).

All rooms should be booked under "United We Fly".

If there are any questions concerning the technical rider, please get in touch with F.O.H. sound engineers . If you have any questions concerning the rest of the rider please get in touch with the tour manager listed above.

Looking forward to seeing you soon!
